Terms (Please Read Carefully):

Bliss Day Spa requires a credit card to keep on record to reserve the date and time, to ensure payment of any incidentals, products and/or outstanding balances or day of cancelled services. Final payment of Bliss Day Spa services, add-on services, products and/or purchases made at during the SPArty, becomes the responsibility of the hostess for any guest who does not provide payment at the end of the event. By providing your credit card information, you agree to these terms. It is recommended to reserve your SPArty a minimum of 2-8 weeks in advance, however if we have availability for your date, we can book it without advanced notice. Prime bridal and holiday seasons may require additional notice.

The minimum charge for the SPArty is the total charge for the finalized reservation of guests and their services – this total includes the 20% gratuity automatically added. Any changes to be included in the finalized, guaranteed reservation must be received at least 48 hours (2 days) prior to your event date.

For the safety of our guests, complimentary alcoholic beverages are limited to 2 per person. You are welcome to bring your own beverages if you'd like – these will be served by you and your guests only.

Without your signature and return of this agreement, your reservation is not confirmed and cannot be held. After completion, please email this agreement to staff@blissdayspa.biz.

I have read and agree to Bliss Day Spa's SPArty payment and reservation terms as stated above.
